

Aunt Sarah's

Famous Fundraising Bars

At Aunt Sarah's we devote a lot of time to developing and creating only the very best products anywhere. Our wildly popular bars, like **Simply Delicious** are making a name for themselves in Canadian fundraising. No one makes bars like Aunt Sarah's and we are here to help you exceed your fundraising goals.

Just look over our impressive line-up.

The **Simply Delicious** bar was created exclusively for fundraising groups in Canada – it is not available in retail and provides you with complete exclusivity.

The roasted almonds and smooth creamy caramel make it a taste treat beyond compare. To provide additional choice Aunt Sarah's developed the same bar with pecans in place of almonds and named it **Simply the Best**. Just taste them – you'll want more!
